MSCC Member Vehicle Sticker Program 2010

The Mechanical Service Contractors of Canada has recently created a new program for our members.

You can now enjoy the “**Vehicle Decal Program**”, that provides our MSCC members with peel-and-stick logo’s identifying you as a member of Canada’s leading mechanical service organization.

The decals are a clear demonstration to your clients that their buildings systems are in the capable hands of experienced professionals.

Now your clients, and potential clients, can easily identify your company vehicles not only by name, but also by finding this symbol of quality workmanship.

Simply fill in the information below, send it in to the MSCC office. Your additional decals will be sent directly to your office.

As an MSCC member, you can order up to 10 complimentary decals. If you need more than 10 decals, they can be purchased for only \$2.00 each.
